

**Schedule:** April 2015 to August 2015      **Location:** town of Menasha

**Description:** This project is the first phase of the reconstruction of the US 10/WIS 441 and Racine Road Interchange. The work on this project includes placing early fills for the new alignment of the interchange, including prefabricated vertical drains and drainage blanket to accelerate the settlement of the underlying soils to ensure these fills are ready for construction of the remainder of the project beginning this fall.

**April 20 to April 24:** Crews continued preparing areas for embankment and began placing drainage blanket in the section between Tayco Street and the westbound off-ramp to Racine Road. They also stripped topsoil from the infield of the westbound on-ramp and built some access ramps, preparing for grading operations. On the northbound entrance ramp from Racine Road, crews performed clearing and grubbing.

**April 27 to May 1:** In the section between Tayco Street and the westbound off-ramp, crews will continue to prepare areas for embankment, place drainage blanket, will begin wick drain installation, along with geotechnical instrumentation installation. Along the eastbound off-ramp to Racine Road, crews will install some storm sewer. Along the eastbound and westbound on ramps from Racine Road, crews will install concrete barrier block and crash cushions.

**Traffic Impacts:** On Monday night, crews plan on a single lane closure of eastbound WIS 441 between Little Lake Butte des Morts and Racine Road, along with a closure of the WIS 441 eastbound off-ramp to Racine Road, 7 to 11 p.m. Also Monday night, crews are planning a full closure of eastbound US 441 between Racine Road and Appleton Road, 11 p.m. to 6 a.m., along with a single lane closure along westbound WIS 441 between Midway Road and Racine Road, 7 p.m. to 5 a.m. A signed detour for the full closure of WIS 41 will be posted using Racine Road, Midway Road, and Oneida Street. On Tuesday and Wednesday nights, crews plan single lane closures along eastbound and westbound WIS 441, 7 p.m. to 6 a.m., along with a closure of the northbound on-ramp from Racine Road to WIS 441, 6 p.m. to 5 a.m.
